Hi Chidanand,

My Germany WP is sent back to me to upload German onsite manager approval. Could you please provide approval email?

Thank you!

Regards,
Chaitaly Navare

Subject: Visa Request App Notification for you: Clarification Needed by GM Team

Dear Chaitaly Navare,

This is to inform you that the request DEUWP00008400 for Germany-Work Permit has been sent for clarification. The GM Team requires additional information to process your request.

The clarification comments are mentioned below for your reference. Additionally, you may also refer to the comments section of your request for the comments.

Comments:

Documents: Please upload your german onsite manager approval

Documents: As per recent update from German authority, we have to process your work permit under ICT model.

Currently we are working on your filing documents, which requires your support to gather the required documents at the earliest. Translation of JD and Resume would take minimum of 10 days. Meanwhile please share your Cognizant offer letter with Annexure A and B and you have to sign the document with your joining date - (Date of joining)

- CTS resume and Job description in German – New template has been implemented for this ICT model and attached the updated one and request you to update the information as per template and share the updated documents to below DL for Translation process
- Please share your residence location city in Germany with us.
- Please share your dependents(spouse and kids) name and DOB with us

German CoE (Cognizant)

Note: Translated Job description and CTS resume are mandatory documents to proceed further and this needs to be translated by above team and please do not translate the document in google translator. Please share the offer letter once you receive this email as we will initiate translation from our end which will take nearly 2 weeks and you can share the translated documents once you get it from the German COE. Once you get the documents from German COE please share the same with us and then resubmit the request in VRA

Thank you for your understanding.

Next Action Item: Fill Questionnaire.

Please provide the requested details & submit the clarification in the [Visa Request application](#).

You are requested to respond back to the clarification at the earliest to avoid any processing delays.

Regards,

Global Mobility Team,
IT.
